Our COMPASSIONATE CARE PROGRAM offers assistance to:

[Veterans](#)

[Individuals Diagnosed with Chronic Illness, Disability or Other Serious Medical Illness](#)

[Individuals Living in Low Income Housholds](#)

Though our products are already competitively priced, we know that there are situations that demand more. We offer 30% off for veterans, individuals diagnosed with a chronic illness, disability or other serious medical illness as well as individuals living in low income households.

Once you have applied and been approved, you will be provided with a discount code. This code cannot be used with other discount codes. There is a \$300 monthly cap on all Compassionate Care Discounts per month (calculated after discount is applied). At the first of the month the cap will reset. Please only use the discount for yourself.

To apply for the Compassionate Care Program, please provide copies of the necessary documentation via email to:
